Names and addresses in the following two sections **must be complete** with full names (no initials), and complete Unit\* and non-McGill addresses, including building and room number, street address, city, province, postal code, e-mail address, as well as telephone number(s).

**Internal Examiner**

The Unit\* has established that the internal examiner has agreed to evaluate the thesis. GPS is responsible for sending the internal examiner a copy of the thesis. The internal examiner must not be in conflict of interest according to McGill's policy (see University [conflict of interest regulations](#)).

**External Examiner**

The Unit\* has established that the external examiner has agreed to evaluate the thesis. GPS is responsible for sending the external examiner a copy of the thesis. The external examiner must be able to examine the student and the thesis at arm's length, free of conflict of interest from any source. The test of whether a conflict of interest might exist is whether it could appear to a reasonable outside person that evaluation of the thesis may be affected by anything other than the merits of the thesis document. The candidate's Unit\* must take reasonable steps to avoid recommending an examiner whose relationship with the candidate, the supervisor, or their research could be seen as jeopardizing an impartial judgment on the thesis. Any individual asked to examine a thesis must declare possible sources of conflict (see [checklist](#)).
